

MARYLAND ACCESS POINT

Do You Know Someone Who . . .

- May need assistance to remain in their own home (shopping, chores and/or personal care or assistive devices)?
- Is a caregiver at risk of being stressed out?
- May need transportation or a nutritious meal served to them?
- Would benefit from socializing activities, such as a day program?
- May be struggling with depression, mental illness, or substance abuse issues ?

MAP of Somerset and Wicomico Counties

Maryland Access Point of Somerset and Wicomico Counties is a “one stop shop” for aging adults and individuals with disabilities, of all income levels, who need information and assistance about long-term care services, or who want to plan for future needs. Family members and caregivers who are trying to support a parent, spouse, or adult child can also receive assistance through this program.

Maryland Access Point (MAP) is committed to encouraging the safety, health, independence and personal choice for the adults they serve and those caring for them.

Who do I call for Information and/or Services?

Maryland Access Point

VISION: We envision a community in which elderly, vulnerable, and disabled adults receive consolidated, quality care that is efficient in supporting full quality of life.

MISSION: With respect for the dignity of each elderly, vulnerable and disabled adult, we will promote self-determination in each client's effort to attain optimum quality of life in a safe and least restrictive environment by:

- Accessing needs
- Coordinating resources
- Providing supportive services
